

**WINTER 2022 NEWSLETTER**

**Note From Heidi**

The start or end of a new year brings on the feeling of gratitude. That is how I feel this month about all of you and my staff. I am extremely grateful to work with all of you and to provide a necessary service with transparency and communication in mind. There is always room for improvement in any process and our commitment to you is that we are dedicated to your projects and your credentialing success.

As usual, 2021 year has flown by! I am excited for 2022. We start it off with a bang by attending two conferences. AAOE is the largest Orthopedic convention and we will be an exhibitor this year in Chicago this coming April. TIPAAA is a large IPA conference and we will also have a booth for their March meeting in Orlando. If you are planning to attend either of these conferences, please stop by and say hello!

Happy Holidays and a very Happy New Year to you!
