NOTE FROM HEIDI

Hello from 1st Credentialing and happy winter!

The holiday season helps us to reflect on our year with a grateful and thankful heart. All of us at 1st Credentialing would like to thank you for another wonderful year of building relationships.

This time of year is special in our personal lives and I hope that you and your loved ones are able to celebrate together. I am sharing a few quotes that are especially helpful in reminding me that the gift of our time with others is the most important gift we can give.

“The greatest legacy we can leave our children is happy memories.” – Og Mandino

“The holiday season is a perfect time to reflect on our blessings and seek out ways to make life better for those around us.” –Anonymous

“There are no perfect parents and there are no perfect children, but there are plenty of perfect moments along the way.” – Dave Willis

“Gratitude can transform common days into thanksgivings, turn routine jobs into joy, and change ordinary opportunities into blessings.” –William Arthur Ward

“It’s not how much we give but how much love we put into giving.” –Mother Theresa

Happy & healthy holidays to you!

Best Regards,

Heidi Henderson
